

Psychology

Psychology is a popular and successful KS5 department which has been established in the school for 7 years. This hard working department has a 100% pass rate at both AS and A2 level with 60% achieving A-B. The syllabus we follow (AQA-A) is 100% exam based and consists of 4 examinations (2 in the first year and 2 in the final year). Topics covered in teaching include Biological, Psychology, Psychopathology, Social Psychology, Cognitive Psychology and Research Methods.
